If you pay tax at the higher rate you can claim further relief in your Self-Assessment tax return. 4. Please notify the LAKPA if you change your name and address while the declaration is in force. 5. We encourage all kidney patients, their families and others to become members of LAKPA; there is no membership fee to join.

We need more members, as the more members we have, the stronger our 'voice' when representing patients views and needs and more patients who will be aware of our work to support them. We have recently reviewed our membership processes and procedures to take account of the new GDPR regulations and now need written consent from our members to communicate with them e.g. to send them a copy of our newsletter by post.

Consent can be given as part of filling out our membership form. Please consider becoming a member of LAKPA by completing and returning this form.
